Gender:	Female
Languages (in addition to English):	French, Vietnamese, Spanish
Joined Gardner:	2002
Medical School:	University of Montreal, Canada
Medical Training:	University of Montreal, Canada
Board Certification:	

About Me: I've been practicing family medicine for more than 20 years. I have been in private practice first then joined Gardner Health Network in 2002 where I enjoy working in a team environment and have the opportunity to update my skills. I also want to give care to our needy populations.

While not working I enjoy reading, cooking and having a good time with friends and family. My views on life; be happy, healthy and fulfilled.
